

London South Bank University

LONDON SOUTH BANK UNIVERSITY
SCHOOL OF APPLIED SCIENCES

PROFESSOR IN AGEING AND EXERCISE SCIENCE

The School of Applied Sciences at London South Bank University is committed to its vision of academic excellence with a positive impact in the real world. We are seeking to appoint the very best academic talent to the above post to further enhance the strength and impact of our research, and to enhance our reputation as a leader in the field.

Working with a vibrant and dynamic team in the Division of Human Sciences, the successful candidate will be expected to lead the academic development in the sport and exercise science area, and to continue to deliver world leading/internationally excellent research, education and knowledge transfer activities. With an outstanding international reputation, the candidate may come from any sub disciplines of ageing and exercise science, including physiology, biomechanics, psychology, clinical exercise science, physical activity and health, and will have a specialism that will complement the current research activities of the school.

For an informal discussion please contact Professor Raymond Lee, Dean of School of Applied Sciences, r.lee@lsbu.ac.uk <<mailto:r.lee@lsbu.ac.uk>>

Closing date: 11 September 2015

Interviews to be held during the week commencing 21 September 2015.
